

PumpAction..... Issue 19

NEWS

At your service, twenty-four hours

Some of our customers may not be aware that Kelair Pumps provides on-site service (24 hours) and service in-house, for any pump product.

With over 80-years of combined staff experience, Kelair is very proud of the quality after-sales service provided by our dedicated teams from Head Office in Arndell Park NSW and from our branches.

Not limited to Kelair's products

- Breakdown service
- Routine preventative maintenance
- Reverse engineering manufacture
- Engineering / Spare Parts / Machining
- Commissioning / Installations

Authorised Coppus Service Centre Australia & NZ

Not limited to Kelair's products
